Motel 6 “Leaves the Light on for NCBA.”

August 29, 2008

The NCBA is excited to announce that they have reached an agreement with Motel 6 to become the “Official Lodging Partner of the NCBA” through the 2010 season. Motel 6 is the largest owned and operated hotel chain in North America. It continues to grow and currently has more than 900 locations in the United States. With the abundant locations paired with an average daily rate under \$50 and comfortable amenities, the relationship between Motel 6 and the NCBA is a perfect one.

All teams holding membership in the NCBA will receive a minimum discount of 5% on rooms for the duration of the agreement. Motel 6 is a household name, synonymous with quality and value. When Motel 6’s average daily rate of under \$50 is paired with the NCBA discount, NCBA member teams can save money without compromising quality lodging. Motel 6 offers hundreds of locations, so a Motel 6 is never far away for all road trips. All NCBA teams need to remember the Motel 6 account number associated with the NCBA discount. If booking online or over the phone, to receive the 5% discount on rooms at all Motel 6 locations, all NCBA teams will need to enter account number **CP542549**. In order to receive the 5% discount on all Studio 6 locations all NCBA teams will need to enter account number **CP542550**. Teams booking multiple rooms will need to contact the group sales department at 1-800-544-4866 or at groupsales@motel6.com, and then give them the appropriate account number.

Sandy Sanderson, president of the National Club Baseball Association had this to say after the partnership was finalized, “We are extremely pleased to have Motel 6 as the NCBA’s preferred lodging partner. While Motel 6’s comfortable amenities will provide the players with the relief they need from a long day on the ball field, their average daily rate of under \$50 and over 900 locations across America are sure to provide the financial relief to team budgets as they travel throughout the season.”

After the partnership was completed, Kirsten Jenkins, Motel 6’s Senior Account Executive for National Sales had this to say: “Motel 6 is proud to be the exclusive lodging partner of National Club Baseball Association. We’re “Leaving the Light On” for teams, officials, boosters, families and friends at over 900 locations in the U.S. – not just during the official season but year round. Our team is ready to offer a winning combination of great rooms at special rates and we look forward to welcoming all members of the association.”
