---

The following are the results of the Lafayette College protest of the games scheduled against The College of New Jersey on April 24, 2010:

Games protested by Lafayette College for failure to attend a scheduled competition.

**Requested action** - Forfeit both games and provide \$210 compensation for field and umpire costs associated with the scheduled game.

20.01.0 In the event that a visiting team should forfeit any **NCBA Sanctioned Baseball Game** to the home team; the visiting team is required to inform the home team via telephone of their intent not to play at least 48 hours in advance of the predetermined start of the first game.

20.02.0 Should the visiting team not provide the home team with sufficient notice to cancel umpires and/or field rentals for the game(s) in question, the visiting team assumes financial responsibility for the payment of those umpires and/or field rentals should any cancellation fees be incurred.

After review, The College of New Jersey did not attend the scheduled competition and notified Lafayette College, the home team, less than 48 hours in advance. Lafayette provided the NCBA with sufficient documentation of the fees they incurred from the umpires and field reservations.

**Ruling:** Protest Upheld-The College of New Jersey will be charged 2 forfeits/losses (Score 0-7) and Lafayette College shall be credited 2 wins (Score 7-0). In addition, The College of New Jersey will reimburse Lafayette College the sum of \$210.00 for field rental and umpire costs that were associated with the cancelled game.

**Notes:** The College of New Jersey still owes Lafayette College a fee of \$250.00 from a similar protest ruling from games scheduled for 4/27/08. TCNJ Club Baseball is put on probation effective immediately and will remain on probation until the entire sum of \$460.00 has been paid to Lafayette College Club Baseball.
